**GURWIN ADULT DAY HEALTH PROGRAM  
CONTINUES TO RECEIVE TOP ACCOLADES  
FOR ITS AWARD-WINNING PROGRAM**

*Gurwin's Assisted Living Facility Also Garners High Honors by Long Islanders*

**COMMACK, NY** -- Gurwin Jewish Nursing & Rehabilitation Center is pleased to announce that its Adult Day Health Program has been named #1 in Adult Day Care Programs on Long Island, according to the newly released 2018 Long Island Business News Reader Ranking Survey. The accolade comes just months after the highly esteemed program clinched the title "Best Adult Day Care" on Long Island, for the second consecutive year, from the Long Island Press.

"We are thrilled to be the recipient of the LIBN award as tops in Adult Day Care on Long Island, particularly as it coincided with our celebration of National Adult Day Services Week," said Jeraldine Fedoriw, LMSW and Director of the Gurwin Adult Day Health Program. "This most recent honor is further validation of the unique program Gurwin offers for the frail and elderly. Our staff provides innovative, stimulating activities, along with the necessary personal care and medical assistance needed to help our participants live independently in the community. We take pride in the exceptional program we offer our participants and the peace of mind we provide to family caregivers, knowing that their loved one is safe and well-cared-for during the day."

Gurwin's Adult Day Health Program is part of the Gurwin Family of Healthcare Services, recently named by Fortune Magazine as the #1 Best Place to Work in Aging Services in the nation. The program has been supporting the physical, social and emotional needs of individuals with varying

- next -

health and cognitive challenges for nearly 30 years. Serving 130 people daily, the program provides door-through-door transportation and offers vital health service such as dental care, ophthalmology, audiology, rehabilitation therapy, assistance with activities of daily living, and socialization activities. Following morning pickup from their homes, registrants are provided a well-balanced breakfast and are guided through a structured day of engaging activities that help them to flourish in a safe, secure and enriching environment, while at the same time having their medical and rehabilitation needs met.

The Gurwin Family of Healthcare Services also received top honors in the LIBN Reader Ranking survey for its assisted living facility. The Gurwin Jewish ~ Fay J. Lindner Residences was named #2 in Best Senior Living Facilities on Long Island. Located on Gurwin's Commack campus, the community is home to 201 luxury apartments, including a 14-unit Memory Care Wing. The facility is the largest, single standing assisted living community on Long Island.
