Dear Gurwin Family Members:

Yesterday, we informed you of the NYS Department of Health's requirement that we update our resident families within 24 hours about new positive cases of COVID-19. These updates will be sent as necessary, and located on our website should you need to access them.

Per the requirement, since yesterday, three residents have tested positive for COVID-19 and four were medically cleared.

Please note that if your loved one is identified as a suspected or positive case of COVID-19 or has any other significant change in condition, you will be notified.

We know that you are missing your loved ones; they are missing you, as it has been some time since you have been able to visit. In addition to the video chats and Gurwin Gram Grams to keep you connected, our Therapeutic Recreation team has suggested that family members send in scrapbooks or photo albums for your loved one to enjoy. You can drop them at our front desk at any time, in a bag labeled to the attention of our Therapeutic Recreation Department. Inside, label the book with your resident's name and room number. Including your contact information is helpful should we have questions.

Thank you, and be well.

Sincerely,

Stuart B. Almer
President and CEO

Video Chat with your loved one: email videochat@gurwin.org to request a time. (Limit one per family per week, please.)

Send your loved one a **Gurwin Gram Gram**. Send a short video to us via Facebook Messenger or by email to info@gurwin.org, and we'll deliver your good wishes.

Visit our [website at www.gurwin.org](http://www.gurwin.org) for Frequently Asked Questions or other updates on COVID-19.
