6:30 PM

Dear Gurwin Family Members:

As you know, we are required by the NYS Department of Health (DOH) to inform our family members when any of our residents newly test positive for COVID-19. Since yesterday, seven residents have tested positive. We are happy to report that today we were able to celebrate the recovery of one of our residents who was discharged to home.

As always, if your loved one is identified as a suspected or positive case of COVID-19 or has any other significant change in condition, you will be notified.

Transparency is always important, but even more so in light of our current situation. We always strive to be forthright, in our daily reporting to the DOH, in our communications with you, and with the many media outlets who have contacted us over the past several weeks. I realize that you have many questions. Please refer to our website ([www.gurwin.org](http://www.gurwin.org)) for answers to frequently asked questions or email us at [info@gurwin.org](mailto:info@gurwin.org).

These updates will be sent as necessary, and located on our website should you need to access them.

Thank you, and be well.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stuart B. Almer', with a long horizontal flourish extending to the right.

*Stuart B. Almer*  
*President and CEO*
