Dear Gurwin Family Members:

As you know, we are required by the NYS Department of Health (DOH) to inform our family members when any of our residents newly test positive for COVID-19. I am writing to let you know that we had one resident test positive last night.

Let me take this opportunity to assure you that we are doing everything in our power to protect the overall health of our residents, and are following all Center for Disease Control (CDC) and NYS DOH protocols which include isolation procedures and infection control, and protocols for personal protective equipment usage.

Please be assured if your loved one is identified as a suspected or positive case of COVID-19, our team will promptly notify you. These email updates will be sent as necessary, and are located on our website (www.gurwin.org) for your reference.

Wishing you and your families good health.

Michael Letter
Administrator/COO
