6:00 PM**

Dear Gurwin Residents and Family Members:

In compliance with the NYS Department of Health (DOH) requirement that we inform our family members of the status of COVID-19 in our facility, we are writing today to inform you that, since yesterday, we had one new positive test result for one of our residents. We currently have 38 positive cases in our building, and have discharged or medically cleared 20 additional residents over the past two days. This is very positive news, and we are hopeful that this trend will continue in the coming days and weeks.

Please be assured that you will be promptly notified if your loved one is identified as a suspected or positive case of COVID-19 or has any other significant change in condition. As always, we strictly adhere to HIPAA guidelines and cannot provide information on roommates or other specific residents.

These updates will be sent as necessary, and are located on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them.

Thank you, and be well.

Sincerely,  
The Gurwin Care Team
