Dear Gurwin Residents and Family Members:

In compliance with the NYS Department of Health (DOH) requirement that we provide updates on the status of COVID-19 in our facility, we are writing today to inform you that, since yesterday, we had two new positive test results for residents and, sadly, lost three of our residents to the disease. We currently have 32 residents who are positive for COVID-19 in our building, and are pleased to have celebrated the discharge of our 100th resident who has recovered from COVID-19 today. In the past 72 hours, no employees have reported respiratory symptoms or reported testing positive for COVID-19.

Please be assured that you will be promptly notified if your loved one is identified as a suspected or positive case of COVID-19 or has any other significant change in condition. As always, we strictly adhere to HIPAA guidelines and cannot provide information on roommates or other specific residents.

These updates will be sent as necessary, and are located on our website at www.gurwin.org/family-updates/ should you need to access them

Thank you, and be well.

Sincerely,
The Gurwin Care Team
