Dear Gurwin Residents and Family Members:

In compliance with the NYS Department of Health (DOH) requirement that we provide updates on the status of COVID-19 in our facility, we are writing today with the sad news that one of our residents succumbed to the virus last night. In addition, three of our residents have newly tested positive as a result of our comprehensive testing of all residents. We were heartened to celebrate another five recoveries over the past two days.

Please be assured that you will be promptly notified if your loved one is identified as a suspected or positive case of COVID-19 or has any other significant change in condition. As always, we strictly adhere to HIPAA guidelines and cannot provide information on roommates or other specific residents.

These updates will be sent as necessary, and are located on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them.

Thank you, and be well.

Sincerely,  
The Gurwin Care Team
