Dear Gurwin Family Members:

As you already know, we are required by the NYS Department of Health (DOH) to inform our family members when any of our residents newly test positive for COVID-19. We are writing today to inform you that, since yesterday, we have had no positive test results for our residents; however, we sadly lost one resident to the disease.

On a positive note, since Friday, we celebrated four of our residents being medically cleared, as well as an additional four who were discharged after recovery.

Please be assured that you will be promptly notified if your loved one is identified as a suspected or positive case of COVID-19 or has any other significant change in condition. As always, we strictly adhere to HIPAA guidelines and cannot provide information on roommates or other specific residents.

These updates will be sent as necessary, and are located on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them

Thank you, and be well.

Sincerely,  
The Gurwin Care Team
