Dear Gurwin Family Members:

As you already know, we are required by the NYS Department of Health (DOH) to inform our family members when any of our residents newly test positive for COVID-19. We are writing today to inform you that, since yesterday, we had one new positive test result for a resident.

Thank you, as always, for your support as we work to care for our residents and keep both them and our employees safe.

Please be assured that you will be promptly notified if your loved one is identified as a suspected or positive case of COVID-19 or has any other significant change in condition. As always, we strictly adhere to HIPAA guidelines and cannot provide information on roommates or other specific residents.

These updates will be sent as necessary, and are located on our website at www.gurwin.org/family-updates/ should you need to access them.

Thank you, and be well.

Sincerely,
The Gurwin Care Team
