## **STATE-OF-THE-ART INFUSION SUITE OPENS AT GURWIN JEWISH NURSING & REHABILITATION CENTER**

*Option Care suite offers critical infusion therapies to Gurwin residents  
and those in the surrounding Long Island community who require complex care*

Commack, NY – A ribbon cutting celebration was recently held at the Gurwin Jewish Nursing & Rehabilitation Center marking the grand opening of the new Option Care Infusion Therapy Suite. Option Care Enterprises, Inc., the nation’s leading provider of home and alternate site infusion therapy services, has partnered with Gurwin to provide infusion therapy in a dedicated suite within the Center’s Weinberg Pavilion.

The grand opening celebration was well attended by local legislators, Long Island hospitals representatives and other local health care providers, as well as Gurwin and Option Care staff members. “We are pleased to enter into this partnership with Option Care Enterprises,” said Stuart B. Almer, President and CEO of the Gurwin Healthcare System, of which the Gurwin Jewish Nursing & Rehabilitation Center is a part. “The addition of the new Infusion Suite to Gurwin’s campus enables us to fulfill our mission of providing the best care to our residents while also meeting the needs of those living in the local community who require infusion medicines for complex and chronic conditions.”

Located adjacent to the Center’s dialysis center, the Infusion Suite specializes in IV-based therapies for anti-infectives, clinical nutrition support, immunoglobulin therapy and conditions such as chronic

*Gurwin Healthcare System President and CEO Stuart B. Almer, Gurwin Jewish Nursing & Rehabilitation Center Chairman of the Board Bert Brodsky and Option Care Chief Commercial Officer Chris Hartman cut the ribbon for the new Option Care Infusion Therapy Suite at Gurwin Jewish Nursing & Rehabilitation Center.*

inflammatory disorders and bleeding disorders. The Infusion Suite will provide residents at Gurwin and in the surrounding communities convenient access to care and exceptional clinical support that includes:

- A full-service infusion pharmacy that compounds and dispenses medications
- Clinical management of patients
- Monitoring and 24/7 phone support by clinicians
- Four private infusion stations administered by highly skilled infusion therapy nurses
- Comfortable, specialized recliners and flat panel TVs for patient relaxation

Other amenities include assistance with patient registration, free on-site parking and easy access to facilities. For more information, visit the Option Care website at [www.optioncare.com](http://www.optioncare.com).
