Dear Gurwin Family Members:

The NYS Department of Health requires us to update our family members about cases of COVID-19 at Lindner Residences. Unfortunately, we need to inform you of the passing of one of our beloved community members earlier today. Although this resident was recently discharged, I felt that it was important to inform families of this resident's passing, as we continue to feel that transparency is of utmost importance.

Again, I wish to emphasize that our staff is working hard to protect the well-being of each and every resident. We consider ourselves extended family members, and as such, are deeply concerned when a resident falls ill and heartbroken if one passes.

Please be assured if your loved one is identified as a suspected or positive case of COVID-19, our team will promptly notify you. These email updates will be sent as necessary, and are located on our website (www.gurwin.org/family-updates) for your reference.

Thank you and be well,

Michael Letter
Administrator/COO
