5:00 PM

Dear Gurwin Residents and Family Members:

We are pleased to announce that we are now able to begin **Drive-Up visits** for our families and residents, **beginning Tuesday, June 30**. This is a wonderful way to have a quick visit with your loved one after so many months, and we appreciate your adherence to the following guidelines should you decide to participate:

- Visits will last for 10 minutes. **PLEASE BE ON TIME**, as we do not have much room built in around visits in order to allow as many as possible in one day. If you are late, please understand that your stop time will remain the same.
- You will be directed to the back entrance for our Adult Day Programs. Please enter in the driveway closest to the Suffolk Y JCC, and follow the stars on the lawn to the correct entrance.
- Please place the name of your resident on your dashboard in large writing, so we can easily see who you are and confirm your attendance.
- Residents will be in the entrance vestibule of the Adult Day Program; they will not be permitted to come outside.
- **Visitors must remain in their cars** and obey social distancing rules at all times with our staff and residents. Please turn off your vehicle during the visit to minimize noise distractions and exhaust fumes.
- **Drive-Up visits can be arranged by visiting www.gurwin.org and clicking the link in the red banner at the top of the page. This link will go live on Monday, June 29 at 9:00 am. It will take you to a form on Sign Up Genius which you will submit to reserve your visit time slot.** All fields must be filled out.
- You will receive an email confirmation with your visit information.
- **Each resident will be allowed one visit** until all residents have had an opportunity. If more than one family member signs up, the first visit on the schedule will be honored. **Please coordinate with your family** to ensure everyone gets to visit.
- You may have as many people as you like in a car - just please remember, no one will be permitted to exit the vehicle for any reason during the visit.
- Questions? Call (631) 715-2488.

We are thrilled to be able to offer this Drive-Up visit opportunity to our families and residents, and we appreciate your patience and understanding as we allow all families their opportunity. As mentioned previously, we are also preparing for reopening, and are awaiting guidance from the Department of Health as to how we will be required to do this in a safe, controlled manner in order to best protect our residents and staff.

Thank you for your continued cooperation and support. We know it has not been an easy three months for our residents and families, and we look forward to when we will be able to welcome you back into our building.

Sincerely,
The Gurwin Care Team

Video Chat with your loved one: email videochat@gurwin.org to request a time. (Limit one per family per week, please.)

Send your loved one a **Gurwin Gram Gram**. Send a short video to us via Facebook Messenger or by email to info@gurwin.org, and we'll deliver your good wishes.

Visit our [website at www.gurwin.org](http://www.gurwin.org) for Frequently Asked Questions or other updates on COVID-19.
