Dear Gurwin Residents and Family Members:

In compliance with the NYS Department of Health (DOH) requirement that we provide updates on the status of COVID-19 in our facility, we are writing to inform you that we were notified today of a new positive test result among our residents. All family members whose loved ones reside on the same unit as this resident have been notified, and we have taken all proper precautions to prevent further spread of the virus to our residents and staff.

Please be assured that you will be promptly notified if your loved one is identified as a suspected or positive case of COVID-19 or has any other significant change in condition. As always, we strictly adhere to HIPAA guidelines and cannot provide information on roommates or other specific residents.

These updates will be sent as necessary, and are located on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them.

Thank you, and be well.

Sincerely,  
The Gurwin Care Team
