**JULY THOUGHTS TO CONSIDER...**

As we carefully take the next steps towards our “new normal” by adding limited socially distanced programs back to the calendar, please take note of the changes to life here at Fay J. Lindner. We have modified the patio schedule to give each wing (B, C, D & E) an entire day to enjoy the patios, walk around the building and throughout the community. If it is too hot to go outside or if there is inclement weather, please take advantage of the indoor space as well. You can go to the library to take out a book or sit in the lobby. Some rooms will remain closed for now such as the Bingo Room, the Hair Salon and the Gym. Card playing and group games in the Card Room are off limits at this time. If you do decide to go to a smaller room like the café, please remember that you must be six feet apart from one another. And remember to practice proper hand hygiene (i.e. washing your hands when entering/leaving the room and utilizing sanitizer stations when getting on/off the elevator.)

The calendar looks a little different now. At the top of each day, printed in **RED** is the designated wing that has patio time and off-unit programs for the day. Programs written below in black are meant for the rest of the community and they include floor programs, virtual programs on Channel 6 and religious services. Candle lighting will resume outside of the Synagogue on Friday evenings. The Rabbi will commence Friday night and Saturday morning Shabbat Services and additionally, his Saturday Afternoon Schmooze. All programs are limited to 20 people or lower to observe social distancing. All chairs in the synagogue are spread out 6 feet apart. Masks must be worn at all times. If you need a new mask, just let Wellness know and they can replace it for you.

We are delighted to be moving forward, and we ask that you all take the proper precautions to ensure the safety of yourself and others. Check the calendar to see when you have patio days and activities and start planning your summer.

Happy 4th of July!

*Sincerely,*

*Your friends at Gurwin*

THE ICE CREAM TRUCK AT GURWIN
May 20th & May 21st
“TEA-OFF” SOCIAL
For National Iced Tea Day on June 9th and extending through the 10th, we celebrated by mixing two of our favorite things: golf and iced tea! Residents enjoyed the classic summertime beverage, “Arnold Palmers” while Recreation hosted hallway golf on each floor.
On June 23rd & 24th, we held a hallway “Senior Prom” in honor of all the high school seniors who did not get to attend their prom. There was live music playing outside on the various courtyards around the building that residents could hear from their windows. Refreshments were given out and photos were taken at the mobile photo booth. Yearbook style Senior Superlatives were awarded to a few lucky residents on each floor. Residents and staff shared their school time photos which were compiled into a digital yearbook display on Channel 6. It was a fun trip down memory lane!
Congratulations to the newly elected 2020-2021 Resident Council Board Members!!!
