Dear Lindner Residents and Family Members:

I hope this email finds you well. As you know, we are actively planning for limited visitation to begin here at Fay J. Lindner Residences, and wanted to give you an update so you can prepare, as well.

Surveillance testing of all residents was completed last week, and we have received all but one result back from the lab. The good news is all results received thus far are negative; however, we cannot move forward with our visitation plan without this final result. In addition, we still await approval of our plan from both our state and local Departments of Health. We anticipate receiving both the test result and plan approvals within the next couple of days.

We anticipate being able to communicate our full visitation plan early next week, and appreciate your patience in this home stretch. As always, thank you for your support and understanding. I look forward to seeing you soon.

Sincerely,

Michael Letter  
Administrator/COO
