

INFECTIOUS DISEASE/PANDEMIC EMERGENCY PLAN

SUBJECT: Pandemic Emergency Equipment Cleaning Policy

POLICY: It is the policy of this facility to ensure all supplies/ equipment being used is sanitized between residents to minimize contamination.

PROCEDURE:

1. In both Pandemic cohort units and non-Pandemic units Rehabilitation staff will use FDA-registered disinfectant wipes on the unit to wipe down equipment between residents and when finished with equipment.
2. The Rehabilitation staff will leave all equipment for resident use on the designated cohort units.
3. The Rehabilitation staff will wear gloves when cleaning equipment
