

INFECTIOUS DISEASE/PANDEMIC EMERGENCY

SUBJECT: RECREATION PROGRAMMING DURING INFECTIOUS DISEASE/PANDEMIC EMERGENCY

PURPOSE: In an effort to help control and prevent the transmission of Infectious Disease during a Pandemic Emergency, the facility will cancel communal programming. The facility will continue to provide person-centered programming to residents.

PROCEDURE:

1. Hand hygiene will be provided to all residents before and after each program.
2. Residents will be provided with in-room and/or hallway programming.
3. Recreational activities will be individualized for each resident.
4. Staff providing programming to residents on precautions for infectious illness will wear all required PPE (i.e. gowns, gloves, N95 respirator, mask, and face shield).
5. The TR staff will ensure that social distancing is adhered to in accordance with CDC and NYSDOH guidelines.
6. All residents will use disposable materials. When disposable materials are unavailable, materials will be thrown away or sanitized with EPA approved disinfectant wipe.
7. TR staff will document participation.
