VISITATION UPDATE
Tuesday, October 12, 2020
5:00 PM

Dear Gurwin Residents and Family Members:

As you know, our staff members are tested weekly for COVID-19; unfortunately, we are writing to inform you that we have learned of two new positive test results for staff members. Any positive result requires us to push back our visitation for 14 days, as mandated by the NY State Department of Health, and perform two rounds of surveillance testing on our residents. As such, our new target date for opening for visitation is Wednesday, October 28.

We realize this causes extreme disappointment among our residents, family members and staff. If you are scheduled for an In-Person Visit prior to October 28, you will receive an email from Sign Up Genius noting that your visit has been cancelled with instructions to reschedule that visit. The Drive-Up Visit schedule remains the same, and additional days will become available to take the place of the In-Person Visits through October 27.

As a reminder, all In-Person visitors must provide, at the time of their visit, documentation of a negative COVID-19 test result from a test administered within seven (7) days of the scheduled visit.

- **Sign up for In-Person visits to take place after October 27 OR for Drive-Up visits, including recently added dates:** bit.ly/GurwinVisits
- **Sign up for a video chat:** videochat@gurwin.org
- **Send a Gurwin Gram Gram:** send through info@gurwin.org or [We Transfer](#)

Thank you, as always, for your understanding.

Sincerely,
The Gurwin Care Team
