Dear Lindner Residents and Family Members:

As many of you know, our outdoor visiting has been going well, and our residents and families are happy to spend some time together, as allowed by the NY State Department of Health guidance. With the weather turning colder, we have requested permission from the DOH to move our visits indoors, and this has been approved. Beginning Monday, October 19, our patio visits will be moved to just inside our lobby, allowing for the same 15 minute visit in a warmer environment.

The good news is we can now expand the days to include weekend visits. The visiting schedule will now be: Monday through Friday: 9:30 am, 10:00 am, 3:30 pm and 4:00 pm; Saturdays and Sundays 9:30 am, 10:00 am, 2:30 pm and 3:00 pm. If you have a scheduled visit that is impacted by this change in schedule, you will be contacted by our staff to adjust your visit time. Visits may be scheduled by emailing [fayvideochat@gurwin.org](mailto:fayvideochat@gurwin.org). No more than two visitors will be allowed at any time, visitors and residents must wear a mask, and social distancing must be maintained at all times. Please reschedule if you are not feeling well. As always, we appreciate your support as we navigate this pandemic together. We are all looking forward to seeing you here soon.

Sincerely,

Michael Letter  
Administrator/COO
