SEPTEMBER THOUGHTS TO CONSIDER...

September stirs up memories of the back to school experience. Backbacks and bag lunches, new school books and waiting at the bus stop. This year the scene will look a little different, with virtual learning classrooms and schools hosting classes on alternating days, similar to a day here at Fay J. Lindner. In the theme of back to school, we were inspired to have a few back-to-school type programs; the Lindner Spelling Bee, Music Class, Home Economics, Gym and Art History. In the school spirit, we have a special theme week as well. We celebrate National Assisted Living Week in September from the 13th through 19th. The theme this year is “Caring is EssentiAL”, which highlights the incredible care provided by essential caregivers in assisted living facilities across the country. Please show your support by participating in one of the many assisted living week programs highlighted in purple on the calendar. To kick off the week we will be celebrating Grandparent’s Day on the 13th, and we already have a homework assignment for you! If you have a picture of your grandchild or great grandchild, drop it off at recreation (with your name written on the back) and we will add it to our grandchild puzzle that will be on display in the lobby on Grandparent’s Day. The deadline to drop off a picture is Thursday, September 10th. We are also asking that you help us prepare for the week by making purple flower decorations for the halls, hearts for our collaborative mural and thank you leaves for the staff. In the spirit of Rosh Hashanah, with thoughts of starting fresh and focusing on introspection, let’s reflect on the staff who have been so giving of their time for us during this Pandemic, and thank them in these creative ways. Shana Tova to you and your families!

Sincerely, Your friends at Gurwin

Centenarian, a noun, is defined by Merriam Webster as “someone who is one hundred or more years old”. At Fay J. Lindner, three residents are turning over 100 this month. To honor our beloved centenarians, we are throwing a tea party on September 16th! You have to be 100 or older to attend! No fake ID’s!

CELEBRATING THE ANNIVERSARY OF WOODSTOCK

We wore our hand-made bandanas and tie-dye shirts and worked on the Peace Mural all week long. For the mural, we painted each participant’s gloved hand, and they stamped their mark and signed their name. Every print is different even though they were all made in the same way. We also watched a virtual rock concert of an Israeli husband and wife duo. It was very groovy. Peace to all!
