THIS NOVEMBER ...

We may be starting out this month with a set back but we are not letting that stop us. On November 5th, in cooperation with the Alzheimer's Foundation of America, we will light Gurwin teal for Alzheimer's Awareness Month. More than 250 landmarks in 44 states have already signed up to go teal on the 5th. Residents and staff can participate in raising awareness by wearing teal on the 3rd, 4th and 5th. We will be visiting your room to room each day to brighten your afternoons for the occasion.

Pending the health of the community, on November 11th at 11am we will have a Veterans Day pinning ceremony. This event is reserved for veterans only to ensure social distancing. In honor of all of our veterans who have served in the military, we are asking that our Gurwin veterans drop off a wartime photo of themselves to Recreation to be displayed in the lobby.

We have added thought-provoking interactive *virtual* programs this month. We invited political lecturer James Coll back to discuss the Supreme Court on the 30th. Professor Merenda will be joining us from Florida to discuss Post-Election Issues on the 16th. And to kick off the fun on the 6th, we are trying out a new program called "Discover Live". This program brings the world to you. It features a tour guide who is stationed in a diverse global destination. They run a fun and engaging outdoor tour of a country of our choosing. This month we will travel to Rome, Italy. This is the easiest form of "worry-free" travel during the pandemic. Featured below are pictures from our fall festival. Turn to page 5 for our complete photo montage. Happy Fall!

Sincerely, Your friends at Gurwin

SUKKOT AT GURWIN

The sukkah looked a little different this year in an effort to ensure that it had more air flow. We attached the walls to our pergola and left the front open. We still had three walls up and with the help of the residents here at Fay J., decorated it with beautiful fall leaves and décor. We were able to hold prayers with the Rabbi out by the sukkah. As you can see in the pictures, the rabbi even had fun out there! A special thank you goes out to Rabbi Rimler for thinking of a creative way to carry out the Sukkot traditions. He brought special adaptive holders for the Lulav and Etrog for those who wanted to carry out the symbolic practice. We hope that everyone had a happy holiday. Thank you to those who donated items and to all the residents who helped to make it look so beautiful!

ABSENTEE BALLOT VOTING AT GURWIN ALL OF OCTOBER

We registered to be absentee ballot voters earlier this year. When the ballots came in we performed our civic duty and voted in the 2020 Presidential Election! We are proud! Check us out!

FALL FESTIVAL OCTOBER 20TH, 21ST AND 22ND

We may not have been able to go out east this year to go apple picking, but we were able to deliver the apples to Gurwin instead! For three days in a row each wing enjoyed live virtual or in-person entertainment, apple picking and fall treats like apple cider and spiced donuts. It was a sweet treat!

FRIENDSHIP GAZETTE GET-TOGETHER

The Gazette writers had a wonderful and plentiful writing season producing just over 25 Friendship Gazettes! To wrap up this fantastic endeavor, the group met for a re-cap of all the gazettes and to talk about the experience. The writers signed a large size print showcasing a collection of all the gazettes. The gazette is coming to a close but the writing is not over. The creative energy will be nurtured and channeled in different ways. Happy writing!

Edith, wearing pink below, was in attendance in honor of her late husband Henry, who was an artistic contributor.
