

## Gurwin Jewish Nursing & Rehabilitation Center

**COVID-19 UPDATE**  
**Monday, December 28, 2020**  
**7:00 PM**

Dear Gurwin Residents and Family Members:

We are required by the NY State Department of Health (DOH) to let you know whenever there is a newly positive test result for COVID-19 for either a staff member or resident in our facility. We are writing today to let you know that we have learned of positive test results for one of our residents as well as three of our staff members. In addition, we were alerted to one contractor who enters the building to provide care for a specific purpose who also tested positive. These results were found through our weekly surveillance testing; positive residents are moved to our isolation unit for at least 14 days, and move back to their units after a negative clinical test result is received, and positive staff members must quarantine for 14 days, only returning to work after receiving a negative clinical test for COVID-19. When Drive-Up or In-Person Visits are likely, we will alert you to sign up at that time.

Please be assured you will be promptly notified by phone if your loved one is identified as a suspected or positive case of COVID-19, is on a quarantined unit, or has any other significant change in condition. You will find past Family and Resident Updates on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them.

Thank you, as always, for your continued support and understanding.

Sincerely,

The Gurwin Care Team
