**COVID-19 UPDATE**  
**Sunday, December 20, 2020**  
**7:00 PM**

Dear Gurwin Residents and Family Members:

We are required by the NY State Department of Health (DOH) to let you know whenever there is a newly positive test result for COVID-19 for either a staff member or resident in our facility. We are writing to let you know that we learned yesterday of positive test results for three staff members. All three were found through our regular surveillance testing, and are required to quarantine at home for 14 days, only returning to work after a negative clinical test. These new positive results do not change our previously communicated target date for In-Person Visits; we will continue to plan for January 4.

Tomorrow, December 21 at noon is the deadline for videos to be included in our Happy Holidays video montage for our staff and residents. If you would like to submit a short (one minute or less) video wishing your loved one, all our residents and/or our staff happy holidays, please send them via email or [WeTransfer](#) to [info@gurwin.org](mailto:info@gurwin.org).

Please be assured you will be promptly notified by phone if your loved one is identified as a suspected or positive case of COVID-19, is on a quarantined unit, or has any other significant change in condition. You will find past Family and Resident Updates on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them.

Thank you, as always, for your continued support and understanding.

Sincerely,

The Gurwin Care Team
