**COVID-19 UPDATE**  
**Saturday, December 5, 2020**  
**8:00 PM**

Dear Gurwin Residents and Family Members:

We are required by the NY State Department of Health (DOH) to let you know whenever there is a newly positive test result for COVID-19 for either a staff member or resident in our facility. We are writing to let you know that we learned today of positive results for two of our staff members. Both were identified through our weekly surveillance testing protocols, and are required to quarantine for 14 days, returning to work only after a negative clinical test. These new positive results do not impact our previously communicated target date for In-Person Visits, and we continue to plan for December 21.

Please be assured you will be promptly notified by phone if your loved one is identified as a suspected or positive case of COVID-19, is on a quarantined unit, or has any other significant change in condition. You will find past Family and Resident Updates on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them.

Thank you, as always, for your continued support and understanding.

Sincerely,

The Gurwin Care Team
