

## Gurwin Jewish Nursing & Rehabilitation Center

**COVID-19 UPDATE**  
**Saturday, November 28, 2020**  
**5:00 PM**

Dear Gurwin Residents and Family Members:

We are required by the NY State Department of Health to let you know whenever there is a newly positive test result for COVID-19 for either a staff member or resident in our facility. Yesterday, we reported one new positive employee; however, there were actually two employees with positive results, with one confirmation coming in after our communication was sent. We are sending this to correct the number from yesterday to two. This does not affect the visitation date reported yesterday, and we continue to plan for opening for In-Person Visits on Wednesday, December 16. More details will follow as we get closer to that date.

Please be assured you will be promptly notified by phone if your loved one is identified as a suspected or positive case of COVID-19, is on a quarantined unit, or has any other significant change in condition. You will find past Family and Resident Updates on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them.

The remainder of this year may be challenging, as the virus continues to surge throughout the country. Thank you, as always, for your continued support as our priority remains the health and safety of our residents.

Sincerely,

The Gurwin Care Team

**Video Chat with your loved one: email [videochat@gurwin.org](mailto:videochat@gurwin.org) to request a time. (Limit one per family per week, please.)**
