Dear Lindner Residents and Family Members:

I am writing to inform you, per the NYS Department of Health regulations, that we have received notice of positive COVID-19 test results for two residents, both of whom reside in the same apartment. These residents and all others residing on their wing will be quarantined for the next 14 days. Baseline COVID-19 testing was conducted today, and two more rounds of testing will be performed over the next 14 days. The quarantine will be lifted once negative results are received for all residents on the affected wing. All those impacted by this latest news have been contacted directly by our staff.

In the interest of the health and well-being of our residents, staff and families, it is critical for us to contact trace when a resident tests positive for COVID-19. Therefore, we have implemented a new infection prevention policy stipulating that any resident who leaves the facility for a medical appointment must notify the staff where they are going in order to effectively trace the potential source of the virus should he/she become positive after leaving our building.

Unfortunately, indoor visitation must be placed on pause pending the results of these tests. Our tentative date for reopening is December 18th. During this time, we will restart our window visits for those not on quarantined, which can be scheduled at fayjvideochat@gurwin.org.

These are challenging times for all of us. As you are well aware, cases of COVID-19 have been rising throughout the country. Please know that the safety of our residents is the priority of each and every member of our staff who are following strict state and federal protocols for infection control and prevention.

We will keep you updated should there be any further changes. As always, please reach out to any member of my team if you have any questions or concerns.

Thank you for your continued support and understanding.

Sincerely,

Michael Letter
Administrator/COO

It's flu season! Be sure to get your flu shot today!

Schedule a Visit or virtual Video Chat with your loved one: email fayjvideochat@gurwin.org to request a time. (Limit one per family per week, please.)

Send your loved one a Gurwin Gram Gram. Send a short video to us via Facebook Messenger or by email to info@gurwin.org, and we'll deliver your good wishes.

If you are interested in donating to our COVID-19 Relief Fund, visit our website at www.gurwin.org/donate. Thank you.
