

## Gurwin Jewish Nursing & Rehabilitation Center

### **COVID-19 UPDATE** **Thursday, January 28, 2021** **5:30 PM**

Dear Gurwin Residents and Family Members:

As many of you already know, our phone system underwent an upgrade this week. While it took a bit longer than anticipated to have all phones changed over, it seems that most are now working as they should. Thank you for your patience.

We are required by the NY State Department of Health (DOH) to let you know whenever there is a newly positive test result for COVID-19 for either a staff member or resident in our facility. We are writing today to inform you that we have learned of positive test results for four of our residents since yesterday, found through our weekly testing protocol. All residents are asymptomatic; however, they will be placed on our isolation unit, and will return to their regular unit after 14 days when a negative clinical test result is received.

Resident units will continue to be on quarantine, per DOH requirement, through February 10; we will continue to monitor the situation, and when Drive-Up Visits and In-Person Visit sign-ups reopen, we will let you know.

Please be assured you will be promptly notified by phone if your loved one is identified as a suspected or positive case of COVID-19, is on a quarantined unit, or has any other significant change in condition. You will find past Family and Resident Updates on our website at [www.gurwin.org/family-updates/](http://www.gurwin.org/family-updates/) should you need to access them.

Thank you, as always, for your continued support and understanding.

Sincerely,

The Gurwin Care Team

**Video Chat with your loved one: email [videochat@gurwin.org](mailto:videochat@gurwin.org) to request a time.  
(Limit one per family per week, please.)**

**Send your loved one a Gurwin Gram Gram. Send a short video to us via Facebook Messenger or by email to [info@gurwin.org](mailto:info@gurwin.org), and we'll deliver your good wishes.**
