Dear Lindner Residents and Family Members:

I am writing to inform you that we learned today of positive COVID-19 test results for an employee and a resident here at Lindner. Unfortunately, a number of residents will be quarantined for 10 days due to possible exposure to the staff member. Any affected residents have been notified, as have their families.

Thankfully, we are just a week away from our opportunity to receive the first dose of the COVID-19 vaccine, and hopefully one step closer to ensuring the safety of both our residents and staff. If you have not done so already, please review the COVID-19 Vaccine information with your loved one, to ensure that anyone who would like the vaccine is signed up for our first clinic on January 18. Residents and staff will receive the first dose of the two-dose Pfizer vaccine at that time; as a reminder, consent is required for all residents who wish to receive the vaccine. For more information, or to obtain the consent forms, visit https://www.gurwin.org/vaccine-at-lindner/

As always, please reach out to any member of my team should you have any questions or concerns.

Sincerely,

Michael Letter
Administrator/COO

It’s flu season! Be sure to get your flu shot today!

Schedule a Visit or virtual Video Chat with your loved one: email fayivideochat@gurwin.org to request a time. (Limit one per family per week, please.)

Send your loved one a Gurwin Gram Gram. Send a short video to us via Facebook Messenger or by email to info@gurwin.org, and we’ll deliver your good wishes.

If you are interested in donating to our COVID-19 Relief Fund, visit our website at www.gurwin.org/donate. Thank you.
