Dear Lindner Residents and Family Members:

I am writing to inform you that we learned today of a positive COVID-19 test result for one of the private aides who cares for one of our residents. As the aide has contact with only this resident, there is no need for further quarantine of additional residents due to this new positive test result.

As a reminder, our first COVID-19 vaccine clinic will be held here at our community on Monday, January 18. Should you have any questions, you can feel free to reach out directly to me; otherwise, you can find further information on our website at <https://www.gurwin.org/vaccine-at-lindner/>

Sincerely,

A handwritten signature in black ink that reads 'Michael'.
