Dear Gurwin Residents and Family Members:

We are required by the NY State Department of Health (DOH) to let you know whenever there is a newly positive test result for COVID-19 for either a staff member or resident in our facility. We are writing today to inform you that we have learned of positive test results for two of our residents since yesterday. Any resident testing positive is moved to our isolation unit for a minimum of 14 days, and able to return to their regular unit after receiving a negative clinical test result.

As a reminder, the sign up link for Drive-Up Visits is now open for visits beginning next week for residents on eligible units. Visit bit.ly/GurwinVisits to arrange your visits today.

Please be assured you will be promptly notified by phone if your loved one is identified as a suspected or positive case of COVID-19, is on a quarantined unit, or has any other significant change in condition. You will find past Family and Resident Updates on our website at www.gurwin.org/family-updates/ should you need to access them.

Thank you, as always, for your continued support and understanding.

Sincerely,

The Gurwin Care Team

Video Chat with your loved one: email videochat@gurwin.org to request a time. (Limit one per family per week, please.)

Sign up for Drive-Up Visits at bit.ly/GurwinVisits.

Send your loved one a Gurwin Gram Gram. Send a short video to us via Facebook Messenger or by email to info@gurwin.org, and we'll deliver your good wishes.
