Dear Lindner Residents and Family Members:

I am writing to inform you that we learned today of positive COVID-19 test results for two of our residents. One resident tested positive in the hospital; the other is asymptomatic and was found through our surveillance testing protocol for residents who are coming off quarantine. Affected residents will remain quarantined for an additional 10 days, pending a negative clinical test result. There was no new exposure due to these positive test results; therefore, no additional residents will need to be quarantined at this time.

As always, we thank you for your continued support of our staff and community during these challenging times. Please reach out to me or any of my team members if you have any questions; we are always here to help.

Sincerely,

A handwritten signature in black ink that reads 'Michael'.
