Vaccine day 2 on February 8th came and went! Look at us below giving the “V for Vaccine” sign! Vaccine Clinic 3 is scheduled for March 1st for the rest of residents and staff who need to catch up. We are happy to be ahead of the curve here at Gurwin and we hope our families and friends are not too far behind with getting their vaccines.

With March brings the changing of the seasons in all meanings of phrase. Please check our activity calendar this month for many fun events. We welcome your input on activities and we do our best to incorporate your requests into our calendar monthly calendars. Bingo is back 2x a week in the afternoons by resident request. We have added many game show programs as per your request, and we culminated a bunch of the games into an official Game Show Week! You asked and we listened. Please call ext. 8559 with special requests.

Sincerely, your friends at Gurwin

SNOWBIRD SOCIAL
FEBRUARY 16TH, 17TH AND 18TH
We channeled warmer days and reminisced about some of us who were snowbirds; going to Florida in the cold New York winters and flying back to New York during the hot Florida summers! Flamingos, Florida postcards and citrus flavors filled our minds and bellies this week. Take a look!
