**GURWIN HEALTHCARE SYSTEM HOLDS GROUNDBREAKING CEREMONY
FOR FOUNTAINGATE GARDENS LIFE PLAN COMMUNITY**

***Newest Independent Living Complex Offers Active Adults
Resort-style Amenities/ Unique Health and Financial Security Benefits***

Commack, NY – Long Island legislators and local community members joined board members, future residents and staff of FountainGate Gardens independent living community at a ceremonial groundbreaking event for Long Island’s newest Life Plan Community on the campus of the renowned Gurwin Healthcare System in Commack recently. The 129-unit, resort-style apartment complex, complete with indoor saltwater pool, state-of-the-art fitness gym and cultural arts center, is designed to provide a vibrant and socially active community environment for adults age 62 years and better. The promise of financial security and a unique safety net of care option for on-campus healthcare services is what sets the innovative community apart from other senior living choices on Long Island.

In addition to the ceremonial turning of dirt, FountainGate Gardens founding depositors compiled a time capsule of memories, capturing the legacy they have been part of during the inception of the community, including photos of

ZOOM meet ups and other friendship-building events. In recognition of the global health challenges faced over the past year, press clippings, a face mask and a spent vaccine vial were also included in the capsule as a means of closing the door on 2020 and looking ahead toward a bright and hopeful future with new friends and neighbors at Fountaingate Gardens.

“The addition of Fountaingate Gardens increases the breadth of Gurwin’s services for Long Islanders, creating a full continuum of care Life Plan Community on our beautiful 34-acre campus,” said Stuart B. Almer, President and CEO of the Gurwin Healthcare System. “Members of our unique community are able to truly age in place -- with guaranteed access to other levels of healthcare, such as assisted living, short-term

rehabilitation or skilled nursing care -- when and if needed. We are pleased to be able to offer an innovative option to those who are seeking a vibrant lifestyle backed by a financial and healthcare safety net and 30 years of healthcare experience that only Gurwin can provide.”

Fountaingate Gardens is slated to open in the Spring of 2022.

About Fountaingate Gardens

Fountaingate Gardens is a not-for-profit Life Plan Community, also known as a Continuing Care Retirement Community or CCRC, being built in Commack, Long Island, NY. The community is an extension of the renowned Gurwin Healthcare System, adding independent living to current offerings that include assisted living, skilled nursing and short-term rehabilitation, among other services. Fountaingate Gardens is a community for seniors who wish to continue their active, independent lifestyle without the burden of home ownership and with the added security of knowing a full continuum of care is available on-site when and if ever needed. For more information, please call (631) 715-2693 or visit www.fountaingateli.org.
