***JULY COUNCIL CORNER***

The summer months here at Gurwin are busy ones as many activities have already moved outdoors to take advantage of the sunshine and warmth that abounds.

Your resident council is also on the move with the dedication of the newly-refurbished café with its new look that is just around the corner (rumor has it that an Ice Cream vending machine might be just around the corner, too, along with additional small tables & chairs). The additional space will make it easier for those in wheelchairs to better navigate.

Please check the newly installed council bulletin board outside the dining room entrance near the lobby. It will contain special news & updates on some of the council-sponsored doings in order to keep everyone better informed.

Happy & Healthy 4th to our residents and their families and friends from your Resident Council members.

*Meeting Date and Time:*

*Tuesday, July 25th at 2:00pm Synagogue*
