***LIGHT THE WORLD IN TEAL** is an annual program held in November as part of Alzheimer's Awareness month. People and places around the world "go teal" to raise awareness and show support for the millions of people affected by Alzheimer's. This year's Light the World Teal takes place on November 2nd, 2023. Teal is AFA's Alzheimer's awareness color. Please join us in wearing teal to support this cause. We are holding our second annual Fall Family Festival on this day from 2pm-4pm in the Synagogue and the Syn. patio, and we have invited the Suffolk county farm to bring their animals. We will also have crafts, games and refreshments. Invite the family!*

## **NOVEMBER RESIDENT COUNCIL "K"ORNER**

*The opinions expressed below are solely those of Joel Karpp, Resident, Gurwin Assisted Living*

This column is being written at a time of almost unprecedented TERROR being perpetrated against the small Democratic nation, the only one that exists in the Middle East today, "OUR STATE OF ISRAEL."

The news each day only highlights and continues to remind us of the futility of attempting to settle disputes between neighbors or nations around this tiny world of ours by what are barbaric and inhuman acts of terrorism; such acts that are turning cities and towns into wastelands and that prey very heavily on the most vulnerable among us; OUR CHILDREN, OUR SICK, OUR POOR & OUR ELDERLY. ISRAEL, a free Society that asks only to be allowed to exist in peace and to share the same hopes we all have to see our next generations of children and grandchildren grow up in a world that respects the value of each human life and provides everyone with a life without fear. The Jewish people, for thousands of years, have expressed this through their prayers for "TIKKUN OLAM" - "to repair the world." Let's pray for the mothers of the world to be a real force for love and to make certain ALL our families can grow old & prosper in a "LAND OF MILK & HONEY"; A JUST WORLD FREE OF FEAR & FILLED WITH HOPE THAT TOGETHER WE CAN SETTLE ANY ISSUES AND DO SO BY PEACEFUL MEANS. LET THE VOICES OF MODERATION RISE ABOVE THE SOUNDS OF ROCKETS EXPLODING AND THE WORDS OF HATRED BEING SPEWED! "We Stand With Israel!"

*Meeting Date and Time:*

*Tuesday, November 28th at 2:30pm Synagogue*
