***RESIDENT COUNCIL
JANUARY "K"ORNER***

The opinions expressed below are solely those of Joel Karpp, Resident, Gurwin Assisted Living

While this holiday season will soon become a part of our collective memories, we begin to look forward to what lies ahead for the new year at this special place we all call "home." We PRAY, too, that 2024 will bring with it renewed commitments to peace, justice and harmony to all who share this unique place called "THE EARTH" with us!

THANKS to Joel Gali, our very fine Administrator, and his team of professionals skilled in many areas, who continue to work hard to keep us all healthy, happy and involved in our GURWIN JEWISH- Fay J. LINDNER "community."

Your Resident Council members, too, continue to represent each of you as we work together with Administration and Staff at all levels to bring about many desired changes.....and we always welcome and count upon your input. "SILENCE MAY BE GOLDEN" but "YOUR VOICES NEED TO BE HEARD."

Change, while for some of us represents new challenges, can also mean a new and exciting pathway down our unfinished journey through life; making new friends and developing new and rewarding interests along the way.

A VERY HEALTHY AND HAPPY 2024 TO YOU, YOUR FAMILY MEMBERS AND FRIENDS FROM MEMBERS OF THE RESIDENT COUNCIL, "your neighbors."

Meeting Date and Time:

Don't miss these guest lecturers & programs!

January 15th: Lecture with Professor J. Coll:

"Impeachment and the Constitution"

With the impeachments of Presidents Andrew Johnson, Bill Clinton and Donald Trump, as well as the recent impeachment inquiry vote of Joe Biden, we will visit the constitutional provisions defining this legal device as well as provide an examination of the circumstances surrounding these events.

January 22nd: Lecture with Ann Toback from Worker's Circle: "An Exploration of the Eastern European Jewish Social Justice Tradition"

Millions of Eastern European Jews emigrated to the United States between 1900 and 1924. They immediately made an enormous impact in the United States, from their participation in the garment industry, to community development, to cultural communities, and social justice activism. We will look at the Jewish contributions to social movements in the 20th century from union organizing to women's suffrage, immigration reform, fighting fascism, and civil rights.

Jewish culture for a just world

January 31st: Lecture with Larry Wolff:
"Some Like it Hot"

Come see a presentation of the film voted to be the funniest film of all time – "Some Like it Hot". Marilyn Monroe was never more sexy or beautiful and Jack Lemmon and Tony Curtis provide the fun in drag. This film helped to break the Hollywood infamous Hays code about decency portrayed in Hollywood films. Learn the back story of the many difficulties that were involved in the production. Film veterans Joe E. Brown, George Raft and Pat O'Brien help to make this an unforgettable film with the most memorable closing line in celluloid history! This presentation includes soundtrack music, and a book, autograph and memorabilia display. *(The full feature film will be played in our theater on the 28th at 2:00pm and again at 7:15pm.)*
