February was a month filled with love, friendship, and lots of sweet programs! In March, we'll be hosting an Oscars themed calendar reveal party, we would love to see you in your fanciest attire on the 5th! Luck will be sprinkled all over the building with our Irish programs such as Shenanigan's Pub, Ciara Greene Irish Step Dancing School, live Irish music, and Irish games. Purim is on the 24th, so be sure to dress festive and enjoy some Hamantaschen and live music! International Women's Day is in March, we'll be having a special music program dedicated to Women. Every Tuesday and Saturday will be a themed movie.

Sincerely, Your Gurwin Friends

RESIDENT COUNCIL
MARCH "K"ORNER

The opinions expressed below are solely those of Joel Karpp, Resident, Gurwin Assisted Living

The month of March lies only a few days away and yet we can't take it for granted that no more white stuff will be coming our way before the Ides of March are upon us.. "BUT WE WILL SURVIVE!" We survived the worst of a mini-Covid resurgence among our fellow residents and some family members that had us all on edge but it turned out to have a minimal impact on most of us because we continued to watch out for each other as good neighbors do. Sadly, we had to say goodbye to a number of old and new friends whom we will remember in our hearts. There was also a number of new neighbors that were welcomed to our GURWIN family and we need to count on everyone to help them slowly ease into "our community life". Exciting times lie ahead! We can look forward to the renovation of our dining and kitchen facilities this Spring. We have new and exciting programs being provided by our talented and capable Recreation Staff. 2024 will be important here as well as for our nation, with elections for a new "Resident Council" and for new effective leadership for our country and for a world at peace. "So put away your fears and woes, HERE WE GO, WATCH US GROW!"
