April Message From The Recreation Supervisor

Hello, Family And Friends!

Happy April! The Resident Of The Month for April is Esther O! Esther can always be found watching a great movie in the TV room, going to live performances, and working on the latest art project. Esther always lends a helping hand when it comes to our cooking and baking programs, we couldn't do it without you, Esther! Esther is always there for her peers when they need help and that doesn't go unnoticed! Congratulations Esther on being the Resident Of The Month for April. Happy Pesach to you and your families! As always, if you have anything to share, please do! -Tori
